The Electronic Signatures in Global and National Commerce Act (E-SIGN) requires your approval before we can provide services to you electronically. Please read this Electronic Records Disclosure and Agreement carefully and save or print a copy for your records.

This Disclosure and Agreement (“Agreement”) is the contract which covers your and our rights and responsibilities concerning the service offered to you by iTHINK Financial Credit Union. The service permits you to electronically open a Membership account online, initiate account transactions online, communicate with, and electronically receive disclosures, documents, and records regarding your account(s) with iTHINK Financial. As a condition of Membership, you must complete payment of one Membership account via Automated Clearing House (ACH), credit card or debit card to meet the Credit Union bylaw requirements. If the balance in the account falls below what is required for Membership, you may be terminated from Membership immediately, and forfeit any and all Membership rights and privileges. In this Agreement, the words “you,” “your,” and “yours” mean those who request and use the service, including any joint owners or any person authorized to use your services. The words “we,” “us,” and “our” mean the Credit Union. The words “document”, or “documents” refer to the following collectively: Account Disclosures and agreements, including change of terms notices; loan bills and statements; deposit statements; certificate maturity notices; non-sufficient funds (NSF)/overdraft notices; excessive transaction notices; address notices; delinquency notices; rate change notices; notices of annual and special meetings; tax reporting information; or any other agreement, disclosure, notice, or document the Credit Union would otherwise send via paper now or in the future. By using the service, each of you, jointly and severally, agree to the terms and conditions of this Agreement, and any amendments.

Electronic Signature (eSignature): You consent and agree that your use of a key pad, mouse or other device to select an item, button, icon or similar act/action while using any electronic service we offer; or in accessing or making any transactions regarding any document, agreement, acknowledgement, consent, term, disclosure, or condition constitutes your signature, acceptance and agreement as if actually signed by you in writing. Further, you agree that no certification authority or other third party verification is necessary to validate your electronic signature; and that the lack of such certification or third party verification will not in any way affect the enforceability of your signature or resulting contract between you and iTHINK Financial Credit Union. You understand and agree that your eSignature executed in conjunction with the electronic submission of your application will be legally binding and such transaction will be considered authorized by you.
