

The Sun Sentinel Names iTHINK Financial a Winner of the South Florida Top Workplaces 2022 Award.

Local Credit Union Offers High Morale and Great Benefits for Employees

DELRAY BEACH, FL. (4/27/22) – [iTHINK Financial Credit Union](#) has been awarded a Top Workplaces 2022 honor by the Sun Sentinel.

The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The anonymous survey uniquely measures 15 drivers of engaged cultures that are critical to the success of any organization including alignment, execution, and connection, just to name a few.

The recognition gives companies and nonprofit organizations a chance to boost employee engagement, attract and retain employees and transform the workplace culture.

“For more than a decade, the Top Workplaces award has helped organizations stand out among their competitors to attract talent,” said Eric Rubino, CEO of Energage. “This differentiation is more important than ever in today’s tight labor market. Establishing a continuous conversation with employees so you have a deep understanding of your unique culture is proven to help achieve higher referral rates, lower employee turnover, and double the employee engagement levels. No longer is recognition simply a much-deserved cause for celebration, but it’s fast becoming mission-critical to establish a competitive advantage for recruitment and retention.”

Michael Miller, President at iTHINK Financial stated, “We are honored to be included in the South Florida Top Workplaces 2022 Award. We work tirelessly to promote a positive work environment for our employees. We are so proud to foster a workplace of leadership and diversity. I am so grateful for each employee. They are so devoted and go above and beyond to help our members achieve their goals.”

The top-rated employers were honored in front of their peers during a live award presentation on April 27th, 2022.
