50TH ANNIVERSARY: IT ALL STARTED WITH A QUARTER

Fifty years ago, a group of IBM employees gave one quarter each to start our credit union. Today, we’re one of the largest credit unions, proudly serving over 85,000 members.

To mark our five decades of service, we launched a year-long celebration, which has included in-branch promotions, special events, member and staff video testimonials shared on a customized anniversary microsite, and a drawing for a chance to win a 1969 Ford Mustang Convertible autographed by professional golfer Lee Trevino. We are proud and excited to honor half a century of serving our members and our community, and we look forward to another 50 years of dedication.

IMPROVING THE LIVES OF CHILDREN AND FAMILIES

Jingle Bells at the Branches This December

Each year during the holiday season, the SECU Foundation hosts Jingle Bells at the Branches where children in need can come and enjoy activities, holiday treats and a special guest appearance right from the North Pole. Members of the community and IBMSECU employees show their support by purchasing a paper bell to hang on display, donating online or dropping off an unwrapped toy.

The SECU Foundation is a 501(c)3 nonprofit organization dedicated to improving the lives of children and families in the communities we serve. Founded by IBMSECU, the foundation makes a difference in the lives of others and makes it easy for others to help.
